

Electronic Disclaimer

Nothing on this Website constitutes a recommendation or counsel for the acquisition of any security, portfolio of securities or transactions, or the following of any particular investment strategy or other course(s) of action.

Securities may not be offered or sold in the United States except in compliance with the registration requirements of the Securities Act of 1933 and applicable state securities laws, or pursuant to an exemption therefrom. Any public offering of securities may only be made by means of a prospectus containing detailed information about the company, its management, and relevant financial statements.

This information, and other content of this website may be considered reliable, but neither the Company nor its affiliates and/or subsidiaries warrant its completeness or accuracy, and it should not be relied upon as such.

You agree that any investment, including in securities, is inherently risky. Be aware that articles on this e-mail do not outline a list or description of relevant risk factors. All published information on this website is believed to be reliable and accurate and is provided "as is." But neither the Company nor any of its contributing authors warrant, either express or implied, the accuracy, continuing accuracy or the viability of any content published on this website. The Company and its affiliates, subsidiaries and/or contributing authors are not under any obligation to update or correct any information provided on this website. Statements and opinions are subject to change without notice.

No content on this website is intended to provide tax or legal advice. You are advised to seek advice on these matters from separately retained professionals.
